**Prior to using Crime Check Compliance, it was a waiting game to get Criminal Record Checks for prospective employees. Since beginning to use their services, it has given us the ability to focus on other aspects of the application process as we no longer have to worry about ensuring that Criminal Record Searches are received in a timely manner.**

**What was once a time consuming and frustrating procedure has now turned into a simple two step process of having the applicant sign 3Ci's easy to understand one page application, and faxing it off to their office. They take care of the rest. The usual turn around time for receiving the completed Criminal Record Search is within a few hours of sending it out, as opposed to the 5 – 10 business days that provincial law enforcement agencies require.**

**Another service that we've come to appreciate is the constant communication. You're advised when they receive the request so you know it's being processed and if for some reason there is a delay, they let you know immediately so you can adjust your schedule accordingly.**

**The service is incomparable to any other process we've tried, and as a busy organization, we couldn't be more pleased.**

Dannie and Marci,

How can I ever explain how much your service has helped our volunteer based organization! As a Minor Hockey organization we rely on over 500 volunteers to participate at the rinks with close to 2500 participants from age 4 – 18 years of age. They all require a Police Clearance with Vulnerable Sector Screening and it sometimes took up to 3 months to get the results back going through the regular process. This is our second year utilizing your service and we are thrilled! The results come back to us within 24 hours...sometimes even faster and we have become so efficient with getting our volunteers organized and helping without delays. Your service is so efficient and trustworthy. It is hard to imagine how we ever did without this fantastic service. We call it one stop shopping for our volunteers...they don't need to run around all over chasing forms. It is all done here at the office.

Thank you so much for making our jobs easier!

Sincerely,

Sheila Ramage

"It is my absolute pleasure to recommend 3CI for obtaining Police Reference Checks. Their turnaround time is breathtakingly quick, and they are professional, reliable, gracious and accommodating. The information we require can now be ours within days. It has only been a few months since our agency began to use their services, and I could not be more delighted with every aspect of 3CI."
